re-defining the all-in-one printer

versatile 5-in-one
intuitive simple & easy GUI
efficient duplex + ADF
fast FPOT

The versatile SAMSUNG SCX-4826FN multifunction printer can help your workgroup work faster. With up to 30 ppm print / copy speeds, a powerful processor, 128 MB memory upgradeable to 384 MB and PCL6 emulation, you'll reduce printer bottlenecks. Document workflow is improved with a 50,000-page monthly duty cycle, duplex printing for paper savings and time savings, a front USB port that lets you print files from and scan directly to a USB flash drive, faxing directly from your PC and more. All with a compact footprint and a noise level of just 50 dB (printing). Work faster. Work better. The SAMSUNG SCX-4826FN multifunction printer.

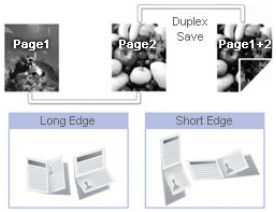
versatile 5-in-one

Versatility is the key to these convenient 5-in-1 laser multifunction printers. With all the functions you have asked for in one central device, you can print, copy, scan, fax and PC-fax conveniently and easily. The SCX-4824FN/28FN delivers high performance and maximum speed versatile enough for a professional workgroup.

intuitive simple & easy GUI

Get everyone at work onboard quickly with simple and easy to use GUI screens. Reduce training and troubleshooting time with simple intuitive menus and buttons. The IT department can keep the user manuals because no one will need to read them to be able to print, copy, scan and fax simply and quickly.

efficient duplex + ADF

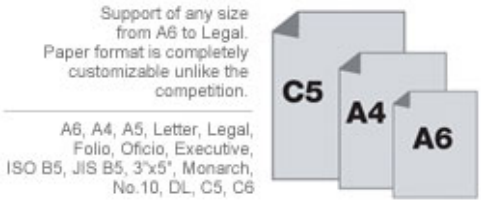


Convenient features increase your daily office efficiency. The 50-sheet automatic document feeder (30-sheet ADF on SCX-4824FN) saves time and speeds up copying and scanning, while giving you more control over the process. The SCX-4826FN model features duplex printing, saving time and reducing paper consumption.

fast FPOT

Everyone wants fast printouts, but if the first page out of the printer takes too long, waiting can be very stressful. The SCX-4826FN boasts a fast first page print time of 15.5 seconds in the sleep mode. That means that even if you are just printing one page, the results will be quick and stress free.

customizable paper formats



Support of any size from A6 to Legal. Paper format is completely customizable unlike the competition.
A6, A4, A5, Letter, Legal, Folio, Oficio, Executive, ISO B5, JIS B5, 3"x5", Monarch, No.10, DL, C5, C6
C5
A4
A6

The SCX-4824FN/28FN is prepared for global business with a customizable paper size tray that can handle international paper formats. Compatible paper sizes include A6, A4, A5, letter, legal, folio, oficio, executive, ISO B5, JIS B5, 3x5, monarch, No. 10, DL, C5 and C6. This versatile feature allows your business to be prepared for the future.

durable max. monthly duty

When choosing a printer, most businesses look at speed and output quality. But another important factor is the maximum monthly duty cycle. In other words, the maximum number of pages a printer can generate each month. The SCX-4824FN/28FN produces a high rate of 50,000 pages a month, ensuring the availability along with the productivity of the SAMSUNG MFP.

innovative compact design

MFPs are convenient but take up a lot of space. The SCX-4824FN/28FN series features a compact design that will fit into any workspace. At 445 x 411 x 395 mm, its neat size and sleek design give you the performance you need without the bulk.

unique corner-less organic design

SAMSUNG is known for sleek innovative design. The SCX-4824FN/28FN adds in another element-organic design. The overall concept is softer, rounder and more natural, adding comforting appeal to your workspace.

convenient direct USB

The ultimate modern convenience-direct USB. Now your employees can disconnect from the PC and freely print and scan at any SCX-4826FN series printer. Just connect a USB storage device and print the contents. Or scan and save directly to USB without needing a PC.

tranquil printing

Your business can work in peace and tranquility, even when printing multiple jobs, thanks to the SCX-4824FN/28FN' quiet print levels. They have the lowest noise levels of their class, at just 49-52 dBA for printing and copying. That is quieter than a normal conversation or a telephone dial tone. Enjoy productivity and peace at the same time.

ENERGY STAR compliant

By being ENERGY STAR compliant you are assured that your SAMSUNG model is helping the environment by using less energy while saving you money. ENERGY STAR is a joint program of the U.S. Environmental Protection Agency and the U.S. Department of Energy promoting energy efficiency.
